

WELLSPRING'S SUMMER DAY CAMP PROGRAM 2019

Make sure to read both sides of this paper so you know the bus schedules and drop off/pick up procedures at the bus stops and at the sites.

Thank you for registering your children in our summer program. The program begins on Monday, June 10th. Participants are asked to gather by grade group (see below) at the church where their activities will take place. Please check the list below for the place where your child is to meet. Staff members will be waiting outside to help your child find his/her way into the building.

Program begins at 9:00. You can drop children off between 8:30 and 9:00. **Do not drop children off before 8:30 or after 9:00.** Also, if no staff members are outside, DO NOT send children in to the building alone. Beginning on June 17th, we will have a "3 Strike" policy. If you drop your child off late 3 times, then he/she will not be allowed to stay for that program day. The coordinators for each group will be responsible for keeping track of tardiness. You will be informed at the time of the late drop off that you have received a "strike".

Program ends at 1:30. If you pick your child up, you may pick them up after 1:15 at their site/church **Children must check out with their age group coordinator before leaving from the site/church.**

Children left at sites/churches after 2:00 will be brought back to Wellspring Interfaith Social Services (1316 Broadway). We will try to reach you to make other arrangements before transporting your child to Wellspring. If you are late picking up your child 3 times, then he/she will not be able to attend our program. You will be informed at the time of the late pick up that you have received a "strike". If children are left at Wellspring after 3:00 and we have not been able to reach a parent/guardian or an emergency contact, then we will contact the police department.

BUS SCHEDULES AND DROP OFF/PICK UP PROCEDURES

Make sure to read both sides of this paper so you know the bus schedules and drop off/pick up procedures at the bus stops and at the sites.

Participants riding the buses will be dropped off at their proper age group sites. Bus riders should be waiting at the bus stops by the times listed below. The buses will be from FWCS. At the end of the day, those children who rode the bus in the morning will be dropped back off at their stops. The buses depart from the sites/churches at 1:30 and should be back to the stops between 1:45 and 1:55. The buses may be late the first 2 weeks, June 10th-June 21st, as the children learn the departure procedure.

For the first 2 weeks, preschoolers to 3rd graders, will be given a colored wrist band at their bus stop. The wrist band will allow the staff to make sure your child gets back on the correct bus and off at the correct stop.

Children left at bus stops after 2:00 will be brought back to Wellspring Interfaith Social Services (1316 Broadway). We will try to reach you to make other arrangements before transporting your child to Wellspring. If you are late picking up your child 3 times, then he/she will not be able to use our bus stops. You will be informed at the time of the late pick up that you have received a “strike”. You can bring your children to the sites yourself. If children are left at Wellspring after 3:00 and we have not been able to reach a parent/guardian or an emergency contact, then we will contact the police department.
