PLANNED GIVING

DONATE WHILE SHOPPING

Kroger will donate a percentage of your purchase to Wellspring when you connect your Plus Card to our organization. In addition, AmazonSmile is a simple way for you to support Wellspring every time you shop at Amazon, with no additional cost to you. Go to our website for instructions.

Thank you for your continued support!

Year 2022 Clients Served

Food Bank

Wellspring served 20,806 individuals in food bank. We distributed meats, produce, hygiene products, and much, much more to our neighbors who needed it most. Wellspring on Wheels delivered food to low-income neighborhoods and served 5,900 families.

After School and Summer Daycamp

368 children benefitted from our youth programs. Participants enjoyed activities, help with homework, reading time, and learned new life skills. Wellspring is committed to the development of the whole child—physically, mentally, culturally, intellectually, and socially.

Older Adult and Individuals with Disabilities Program

546 participants enjoyed social programs. Some of the activities included healthy cooking, quilting, sewing, exercising, and board games. Through this program, we help senior citizens and individuals with disabilities stay connected to the community and achieve holistic wellness through our daily programming and excursions.

Clothing Shoppe

"Wellspring gave hope to my family. Last week I didn't know where our meals will come from. Wellspring gave us enough groceries to feed my entire family. They even gave us hygiene items. I will be forever grateful." Brenda

Note from our CEO

Dear Donor,

As we enter the new year, we are all excited and eager to focus on the future. However, this newsletter will take us a step back to reflect on what Wellspring has accomplished in 2022.

Your donation helped us serve most in need Allen County residents at no charge. It gave children a safe place to go after school, where they were able to create friendships, learn, and play. Your donation has helped low-income parents work, while we cared for their children. It helped Wellspring distribute over 100 tons of food to people all over the county. Our Older Adult and Individuals with Disabilities Program provided an environment that allowed diverse populations to connect and interact, all while providing quality information and activities on how these clients can maintain their health.

None of this would have been possible without your help. The partnership between you, our faithful supporter, and our staff and volunteers allow Wellspring to fulfill its mission. I am so fortunate to work with such generous donors, committed volunteers, and dedicated staff every day! It is beyond rewarding to be in this role in serving the community that I love. THANK YOU!

If you would like to schedule a visit to see, firsthand, the difference your gift is making, please contact me at 260-422-6618 x112.
