

Creating Brighter Futures

at **Wellspring** Interfaith social services
Serving Fort Wayne's Central City Every Day.

Wellspring Interfaith Social Services is excited to announce a fundraiser benefiting our youth programs. Creating Brighter Futures will raise funds to enrich and empower the lives of youth in our community. Wellspring offers two services for the low-income families with children at absolutely no cost. Our After School Program builds a safe and fun environment for youth during the after-school hours. While at Wellspring, children receive reading time, help with homework, hands-on educational activities, and a healthy dinner. Our Summer Day Camp is a six week- long program that prepares kids for a successful school year and beyond.

In order to make Creating Brighter Futures a successful fundraiser, we are asking for your support. Below you will find several ways we can partner together and promote your company. To become a sponsor, please complete the form on the reverse side and return with payment to Wellspring. You can also make a donation online at www.wellspringinterfaith.org. Sponsorships must be received by May 1, 2024 to ensure that your logo appears on promotional pieces.

Creating Brighter Futures fundraiser will take place on May 23, 2024 at Carson LLP. Their large meeting space overlooks Parkview Field and a home game will bring additional entertainment that evening. We look forward to partnering with you to help us continue offering our youth programs at no charge to our community.

We are one of the only free youth programs in Fort Wayne. While this might not seem like much, it is everything to the families we serve. Childcare is undoubtedly expensive. Not to mention the cost of transportation to and from childcare, which is not something that all families have access to. By offering our programs at no cost and providing free transportation to and from, we meet a crucial unmet need that others are not able to provide. We also provide something much more to parents - peace of mind. They can continue to work in the summer and pick up evening shifts all while not worrying if their kids are home safe and how they will feed them. We hope you are able to help us in Creating Brighter Futures for the youth at Wellspring.
