Wellspring interfaith social services inc.  
Empowering Lives Fulfilling Needs

Wellspring Interfaith Social Services is excited to host a fundraiser again to benefit our youth programs. Creating Brighter Futures will raise funds to enrich and empower the lives of youth in our community. Wellspring offers two services for low-income families with children at absolutely no cost. Our After School Program builds a safe and fun environment for youth during the after-school hours. While at Wellspring, children receive reading time, help with homework, hands-on educational activities, and a healthy dinner. Our Summer Day Camp is a six-week program that prepares kids for a successful school year and beyond.

We ask for your support to make Creating Brighter Futures a successful fundraiser. Below, you will find several ways we can partner and promote your company. To become a sponsor, please complete the sponsorship form and return it with payment to Wellspring. You can also make a donation online at [www.wellspringinterfaith.org](http://www.wellspringinterfaith.org). To ensure that your logo appears on promotional pieces, sponsorships must be received by May 1, 2025.

The Creating Brighter Futures fundraiser will take place on May 15, 2025, at 400 Club Parkview Field. This event space overlooks Parkview Field, and a home game will bring additional entertainment that evening. We look forward to partnering with you to help us continue offering our youth programs at no charge to our community.

We are one of the only free youth programs in Fort Wayne. While this might not seem like much, it is everything to the families we serve. Childcare is undoubtedly expensive, not to mention the cost of transportation to and from childcare, which not all families can access. By offering our programs at no cost and providing free transportation to and from, we meet a crucial unmet need that others cannot offer. We also provide something much more to parents - peace of mind. They can continue to work in the summer and pick up evening shifts while not worrying if their kids are home safe and how they will feed them. We hope you can help us create brighter futures for the youth at Wellspring.
