

Creating Brighter Futures

Wellspring

Empowering Lives | Fulfilling Needs

interfaith social services inc.

Wellspring Interfaith Social Services is thrilled to bring back the annual fundraiser in support of youth programs. Creating Brighter Futures is more than just an event, it's a chance to invest in the potential of the young people in our community. All proceeds will directly support Wellspring's no-cost services for low-income families with children.

We currently offer two vital programs for youth:

- Our **After School Program** provides a safe, supportive, and engaging space during critical after-school hours. Children enjoy transportation, reading time, homework help, hands-on learning activities, and a nutritious dinner.
- Our **Summer Day Camp** is a six-week experience designed to keep kids learning, growing, and ready to succeed in the upcoming school year and beyond.

We invite you to help make Creating Brighter Futures a success by becoming a sponsor. Your partnership will not only support a great cause but also provide valuable visibility for your business. Sponsorship opportunities and benefits are outlined below. To be included in promotional materials, please submit your completed sponsorship form and payment by August 21, 2026. You can also contribute easily online at www.wellspringinterfaith.org.
